Mike Bone
Director, Resilience Solutions Pty Ltd

Mike has an enormous amount of expertise in the field of investigations over a 24-year career with the West Australian Police. He has played a pivotal role and led numerous high-profile investigations both in West Australia and interstate working within multijurisdictional and multidisciplinary organisations including the Australian Crime Commission.

Mike was instrumental in the development and implementation of the West Australian Police new interviewing regime and has developed a 'layered interviewing' technique and investigative package tailored to suit industry needs.

In 2006 Mike was selected to oversee the coordination of security at the Melbourne Commonwealth games, facilitating the security of athletes, dignitaries, staff and the public at all major sporting venues.

In 2010 and 2011 Mike was the regional manager at Global Security Management, a role that included the recruitment, training and deployment of 'Emergency Management Officers' to Rio Tinto coastal operations. He was also responsible for the coordination of security staff at several major resource sites including Alcoa, First Quantum Minerals, BHP and Rio Tinto.

Mike has an Advanced Diploma of Criminal Investigations, Diploma of Policing and has conducted, participated and presented at Illicit Drug Investigation courses throughout Australia. He has also provided 'expert' evidence in courts of law relevant to illicit drug use.

Mike also has a certificate IV in workplace training and assessing and completed his distinguished police career as a senior instructor at the Detective Training School presenting investigative and interviewing techniques, case file management, brief preparation and conducting emergency response exercises.
